From Loyd Ogle, Director

After a lengthy informal process, Title Guaranty is now entering the formal rule making process to establish new administrative rules regarding plant waivers. Title Guaranty will be taking written public comment until September 16th. On September 16th, there will be a public hearing on the Iowa Communications Network (ICN), for those who wish to provide oral comment. The noticed rules and sites for the ICN hearing are posted.

After September 16th, all the written comments will be compiled and posted to the Title Guaranty website. The Title Guaranty board will meet on October 7th where they will review the written comments and recommend any final changes to the rules.

If you have an interest in this issue, you are encouraged to review the noticed rules and send written comments to my attention no later than September 16th. Please be as specific as possible in your written comments and provide proposed alternative language if possible. Thank you for your time and consideration of this important issue.
